

Agora shop online catalogue

Welcome to the online catalogue of Agora, the shop of the Bank of Cyprus Cultural Foundation.

Established in 1994, it was created with the purpose of offering replicas, facsimiles, and books inspired by the Foundation's collections.

Our mission is simple yet profound: to provide visitors with the opportunity to immerse themselves in the original exhibits through the purchase of replicas and facsimiles, while also enhancing their knowledge with our wide range of publications.

BROWSE THE COLLECTION

01

MAPS

Upon its establishment, the Foundation acquired twenty-four printed maps of Cyprus, bequeathed by the Bank. Today the collection numbers more than 350 maps. True copies of some of the most important maps are now available for sale

04

ENGRAVINGS

The engravings and the old photographs, which constitute the earliest known depictions of Cypriot monuments, towns and people, are of significant historical value and complement corresponding documents. True copies of some of the best images are now available for sale.

08

COLLECTOR ITEMS

Limited numbered editions of items are available, like facsimiles from the Collections of the Bank of Cyprus Cultural Foundation or authentic artefacts and coins.

09

VARIOUS OBJECTS

Decorative items and gifts inspired from the Foundation's collections and Museums are now available to the public. Treat a piece of Culture.
